

SMALL IS OUR LUXURY

DESTINATIONS 2026-2027

7-DAY ADVENTURES BY SMALL SHIP

Why Variety?

Small is Our Luxury

With just 34 to 72 explorers onboard, you'll never wait in line – for tenders, meals, or experiences. It's a relaxed, uncrowded atmosphere that feels more like a private yacht than a cruise ship. It's our crew knowing your name – and your favorite drink by day two.

Small Ships - Rare Access

We go where big ships can't – to tiny islands, tucked-away villages, and places that don't show up in cruise brochures. Like visiting a bee farm to taste honey straight from the hive. That's our version of luxury.

76 Years of Family Spirit

As a third-generation family-owned company, hospitality is in our DNA. Our guests say they arrive as travelers – and leave as part of our family at sea.

Week-Long Voyages - Lifelong Memories

Set sail on immersive 7-day journeys that go beyond the ordinary. Yes, you'll visit the places you've dreamed of – from Santorini to Bora Bora. But you'll also uncover secret coves, quiet villages, and off-the-map experiences that big ships can't reach.

Go Deeper – Itineraries with Insight

Crafted with over 76 years of seafaring expertise, our itineraries offer insider access and meaningful connections – It's not just about where we go – it's how we take you there.

Because Variety Cruises Cares

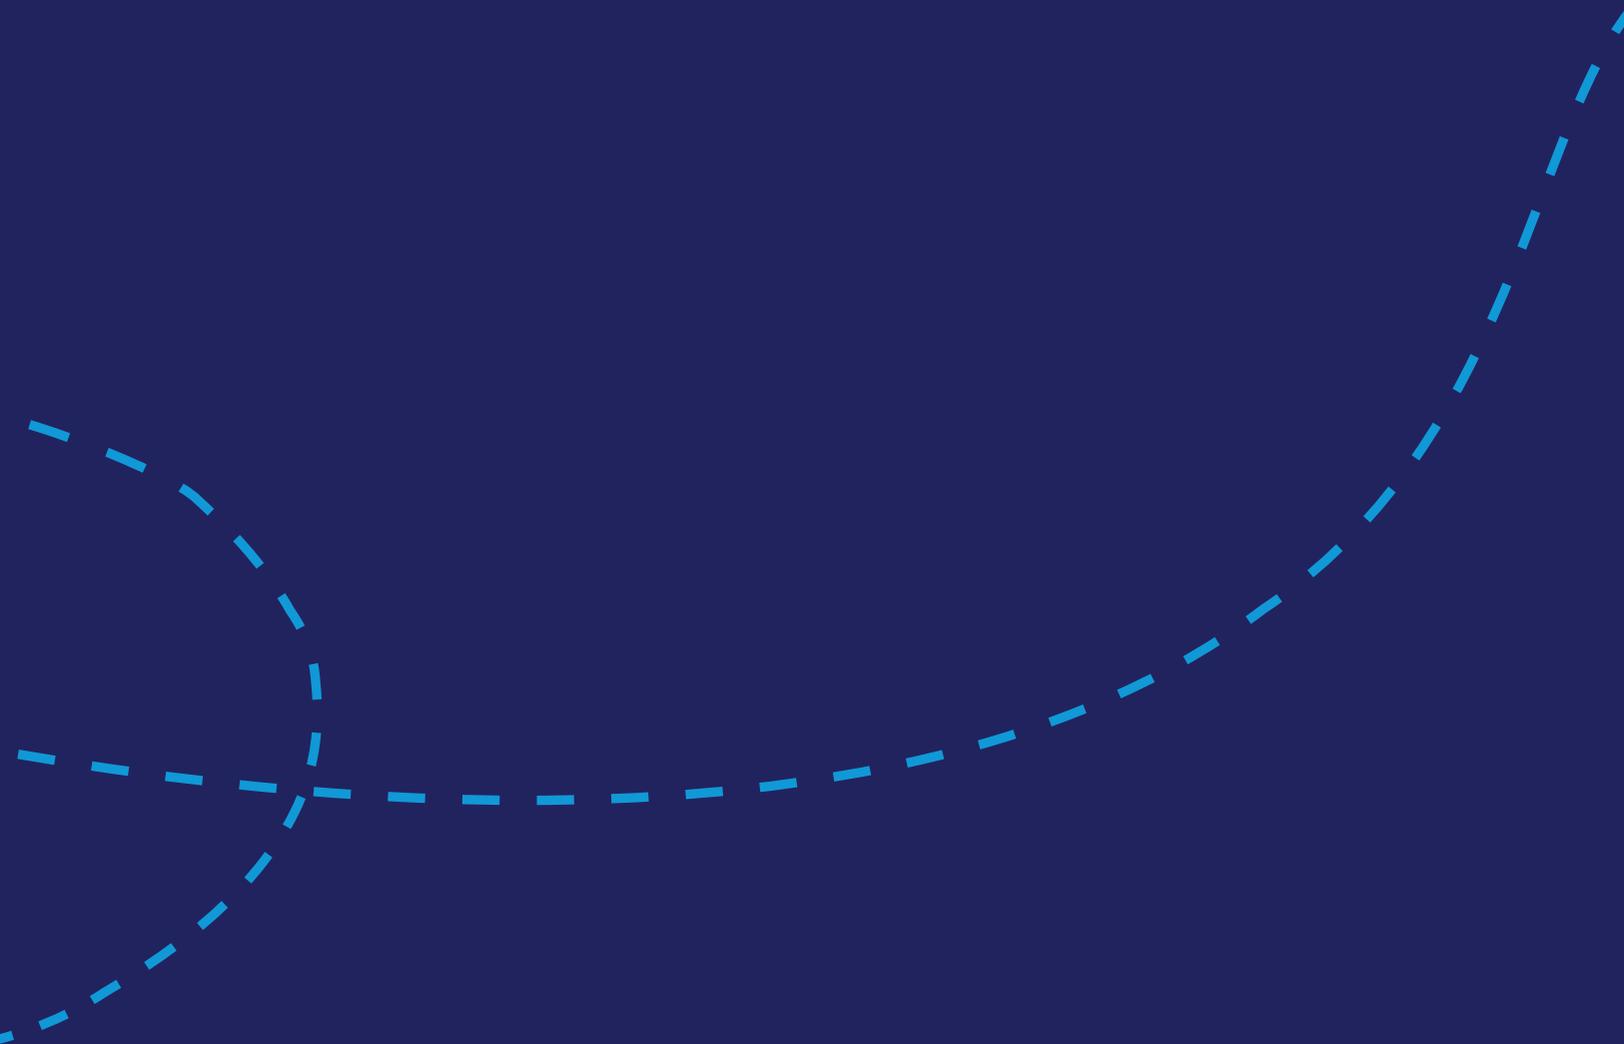

We care about people, places, and planet. From supporting local communities through our NGO, Variety Cares™, to practicing low-impact sailing, we believe travel should give back as much as it takes.

Filippos Venetopoulos
CEO, Variety Cruises

Variety Cruises is proud to serve you with our signature and limited collection 7-day life enriching experiences that go deeper into the destination connecting our team of experts with travelers from around the world, as we work together to positively impact the communities and natural habitat in which we visit, while adhering to our underlying ethos to create A BETTER WORLD AT SEA™.

Our signature 360° degree approach starts with designing and building state-of-the-art ships, to crafting and executing our detailed itineraries, while ensuring the safety and comfort of our guests on board their “home at sea”. From Greece to West Africa, from Egypt to the French Polynesia and beyond, travelers can discover authentic local and indigenous cultures, regional cuisine, ancient sites, remote villages and natural wonders only small ships can reach. All while ensuring our experiences reflect cultural and ecological sustainability and inclusiveness—a company priority—with sails that are in-depth and community-driven, yet go deeper and give back, while leaving a minimal footprint behind. All this while maintaining our small ship cruise spirit, hosting no more than 72 guests on any given sailing, offering the intimate experience that Variety Cruises is known for around the world since 1949. This is evident in our award winning services by USA TODAY’s readers-choice award, by thousands of satisfied guests.

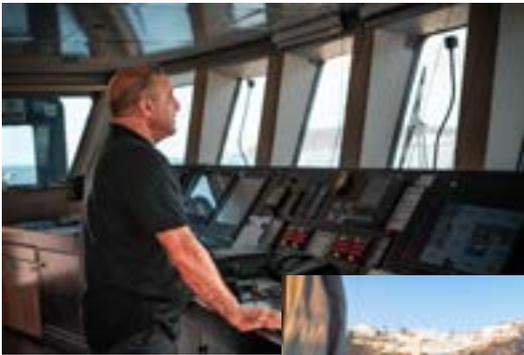

So... we invite you to GO DEEPER into the destination as we enter our third generation of small ship cruises; deeper into the scents, deeper into the local cuisine, deeper into the local communities, deeper into the history, and deeper into the moment.

Creating a “Better world at Sea™”, since 1949.

Jewels of the Cyclades

Cyclades: Dazzling white villages, golden beaches and clear azure water are just the star of what these islands have to offer. Ancient Greek geographers gave this unique cluster of islands the name Cyclades because they saw that they formed a circle ("kyklos" in Greek) of sorts around the sacred island of Delos. According to myth, the islands were the debris that remained after a battle between giants. In reality, they resulted from colossal geological events like earthquakes and volcanic eruptions. Their colours are blue and white like the Greek flag. The islands come in all sizes and, though the ingredients are the same – incomparable light, translucent water, heavenly beaches, lustrous white buildings and bare rock, each one has its own distinct character...

Wines of Greece

Variety Cruises are pleased to announce the first of our new Wine Cruises of Greece. This journey takes us to many of the Greek wine hotspots including Nemea, Santorini, and Tinos. Wine and the making of it is central to this voyage, but as we follow its trail we'll also discover the limestone crags and wild mountains of the Peloponnese, the breathtaking views of Santorini, and the quieter villages of the Cyclades and Eastern Aegean islands. We'll meet leading winemakers, taste at top wineries, and enjoy dinners paired with a specially chosen selection of wines - each exploring the superb native grape varieties of Greece's many diverse regions. This exploration will illustrate how the wines of Greece have emerged as some of the most interesting and exciting in the world over the past 25 years, with changes at least as profound as those that have taken place in Chile and New Zealand. Our on board chef will design classic and regional fare, matching intense local flavours with the unique and varied wines. The Wine Cruise celebrates everything that is wonderful and alluring about Greece; the passion of its people, the evening light on the hillsides, remote swim spots in turquoise seas. We'll call upon quiet harbours, see ancient sites, and discover hidden yet exquisite corners of the country.
